Explore the best of what the Peak District has to offer throughout the seasons with your local and knowledgeable guide.

You will have the chance to visit some beautiful locations where you will learn photography skills, the art of composition and how to work with natural light.**

Whether you are new to photography or have some experience, the workshop will be tailored to suit your individual requirements.

Key subjects:

- Exposure & histograms
- Depth of field
- Manual focus
- Lenses, filters and tripods
- Natural lighting
- Composition

* £200 is the price per person. The cost of your own food and accommodation are not included. Travel will be provided throughout the course's duration.

** Courses are aimed at SLR camera users.
